City of Dowagiac Parking Lot at Northwest corner of Main Street & Pennsylvania Avenue

Green Earth Electronics Recycling will be partnering with the City of Dowagiac for this event.

Proper recycling and disposal of electronics items is important to the well-being of our environment. Hazardous components in electronics such as lead and mercury make it costly to handle and process items such as TVs and monitors. This is becoming an ever increasing burden to recycling companies. To help offer recycling as a sustainable option for residents, fees are being enacted to offset this burden.

There is a \$20 fee for all types and size of TVs (LCD, tube, plasma, and projection).

There is a \$10 fee for all types of monitors (LCD, CRT, etc.).

For more information, contact Green Earth Electronics Recycling at 269-326-1232 /
