Planning Commission City Council Liaisons:

Mayor Donald D. Lyons
Council Member Leon Laylin
Council Member James Dodd

The Planning Commission is comprised of seven members, whose main purpose is to regulate land use in the city. They formulate plans and make recommendations for the most effective economic, social and physical development of the city. Actions of these duties are based on the comprehensive Master Plan, which contains the entire geographical area of the city and the physical structures and services such as roads and utilities relevant to physical development for the next 15 to 20 years.
