

September 2, 2016

Mayor Donald D. Lyons
City Council Members

Dear Mayor Lyons and City Council Members:

Next meeting: none

The following report has been prepared to provide you with an update on current issues or projects in progress:

Commercial Street

The project is currently on schedule. The contractor has completed a majority of the curb and gutter on the north side of Commercial Street, with work on the south side to continue over the next two weeks.

Much of the underground conduit for the electrical system has been completed. The contractor will begin street light foundations over the next few days. Foundations have been completed near the Post Office wall and at the Goerlich site.

Airport Terminal Building

Construction continues at the airport. The building is beginning to take shape. The walls are going up and the building is being enclosed.

Reminder - City Hall will be closed Monday, Sept 5, in observance of Labor Day.

Sincerely,

Kevin P. Anderson
City Manager
