Dear Mayor Lyons and City Council Members:

The following report has been prepared to provide you with an update on current issues or projects in progress:

Russom Park

Schedule update – A completion date extension request was made to the DNR on the park project. Approval of this request has been received by Gary Carlile. Attachments enclosed in Council packet.

Nubour Street Water Sample Collections

The Berrien County Health Department (BCHD) had scheduled initiating well sampling the week of July 21, 2014. Unfortunately, prior contract obligations associated with several Department of Environmental Quality programs have taken longer to complete than originally planned.

Therefore, the BCHD is now planning on conducting the well sampling during the week of July 28, 2014.

Corner of Front and Main

Construction is coming right along at the corner of Front and Main. Electricians are running wire, drywall is going up in the second story and masons are working on the exterior.

Beckwith Park Concert Series – Thursday, July 31 – 7:30 pm

Experience the traditional and contemporary music of Ireland blended with world rhythms to create the unique Celtic sound of FONN MÓR.

Dowagiac Area History Museum

The Summer Video Series on the Great Depression continues. Stop by for: “American Experience: The Market Crash of 1929” and “Ken Burns' The Dust Bowl.” These free programs begin each Wednesday at 4 p.m.

Sincerely,
